AMENDMENT

Commissioner of Patents  
Washington, D.C. 20231

Sir:

In response to the Examiner's Office Action mailed September 19, 2001, the period for response having been extended two (2) months to February 19, 2002, with the payment of the appropriate fee, please amend the above-captioned application as follows:

IN THE CLAIMS:

Please cancel claim 17.

Claims 13-15, 18 and 19 are presented below in their amended form. The amendments to these claims are outlined in an attachment to the amendment using the conventional indication method of bracketing and underlining.

13. (Thrice Amended) A system for forming a custom-made insole, comprising:  
at least one scanning station for supporting a foot to be measured, the at least one scanning station including a base having a length for supporting the foot, a first and second side portion extending upwardly from the base along a length thereof, and at least one movable laser scanning unit moveably disposed along the base for determining coordinates of an undersurface
